

# DETROIT LEADERSHIP ACADEMY

Detroit Leadership Academy is a pre-k through 12 program that needed additional classroom space, which Mobile Modular provided in three phases.

## THE CHALLENGE

Detroit Leadership Academy is a pre-k through 12 program that has grown tremendously over the years, resulting in the need for additional classroom space, which Mobile Modular provided in three phases.

## THE SOLUTION

In the first and second phases, our team added a 4 and 6 classroom building with restrooms, respectively, to serve the elementary and preschool students. For Phase three, the new addition housed both administration space and 9 classrooms with restrooms, giving the Academy much-needed room for middle school expansion.
