

MANCHESTER BOE

Manchester BOE needed additional space in their administration office. Mobile Modular provided a building outfitted with 6 private offices.

THE CHALLENGE

When the Manchester, CT school administration department needed more room, Mobile Modular was there to save the day. The school board needed six additional offices, quickly.

THE SOLUTION

Mobile Modular was able to provide a used building that had the space to accommodate what the board of education needed. We installed the office building in short order, including aluminum steps and ramps for easy accessibility.

Customer Name: Manchester Board of Education

Project Location: Manchester, CT
