

Mobile Modular Construction Offices

Any of our existing units can be modified to suit.

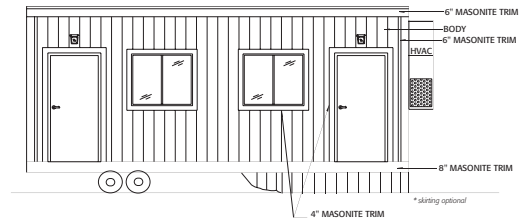

Mobile Modular has a reputation for providing our customers with quality construction offices and job site trailers. Our buildings are prepared quickly and delivered on time.

Available for Rent, Lease or Purchase

Mobile Modular has years of experience at managing modular office building installations in construction settings. Our knowledgeable installers are familiar with special site security, safety and various types of site conditions. We can provide you with well-maintained buildings in a variety of sizes and configurations for all of your mobile office needs.

Standard construction office buildings are available with or without restrooms. All include heating and air conditioning units, vinyl clad metal exterior doors and come with vinyl tile floor. Our T-grid suspended ceilings feature recessed fluorescent lighting; interior walls are paneled. Modular exteriors are constructed with 8" groove siding with masonite trim.
